Dear Members of the Zoning Board,

Matthew and I are writing in regards to the application submitted by Roni Goldberg at 11 Roosevelt Road. We have both reviewed the proposed plan and feel that the modest increase in square footage should be approved. Their home has kept the charm of the 1920's beach houses that make Westport's Compo Beach area unique, and this addition will increase the functionality of their home without diminishing the character.

Thank you and if you have any questions please feel free to contact us,

Sincerely,

Matthew and Lauren Jumper
